

**SKU/Part Number: e-STUDIO6508A**

- 65 Pages Per Minute B&W
- Print resolution up to 3,600 x 1,200 dpi (with smoothing)
- Environmental choice certified, reducing energy cost
- First copy out time of 5.2 Sec. B/W, allows quicker copies and reduces wait time

**Speeds & Feeds**

Standard Automatic Duplexing Unit  
 Optional Stapling, Hole punching, booklet making  
 Standard SED HDD encryption and data overwrite for optimum security  
 Poster printing up to 44"x68" (8 ledger sheets)  
 PostScript3, PCL 6, XPS are standard printing languages  
 Standard e-BRIDGE Next controller  
 TopAccess Web browser user and administrator interface  
 Maximum 12" x 18", and 12" x 47.24" Banner paper size  
 Feeds up to 110lb cover through the bypass and 140lb index from standard trays  
 Standard DSDf (Dual-Scan Document Feeder)  
 Up to 5 paper sources including bypass with a maximum capacity of 6,020 sheets  
 65 Pages Per Minute B&W  
 Maximum duty cycle: 590,000 impressions

**Built-in Solutions**

Standard scan and archive to DropBox  
 Standard print from DropBox  
 Standard scan and archive to OneDrive  
 Standard print from OneDrive  
 Standard scan and archive to Google Drive  
 Standard print from Google Drive  
 Standard remote print with Google Cloud Print  
 Optional Multi-Station Print to allow users to release print jobs from any MFP  
 Optional embedded OCR to allow users to scan to searchable PDF, MS Word, MS Excel, MS Power Point

**Us & Them**

4GB RAM along with 320GB SED Hard disk for document processing and storage  
 Standard productivity features such as tandem printing  
 Cloud Services integration for scan to and print from Google Documents, Drop Box, OneDrive etc  
 Scan to USB media  
 Print from USB media  
 Preview Scanned images on operation panel  
 Original outside erase (remove unwanted surrounding black when platen cover / RADF is open)  
 Slim PDF technology (Good quality PDF files with 10% of the normal size)  
 Up to 12,060 user templates to provide ease of one touch operation  
 Up to 200 storage boxes for document storage within the device  
 Print resolution up to 3,600 x 1,200 dpi (with smoothing)

**Security & Connectivity**

Authentication: Kerberos, LDAP, HTTPS, SMTP and optional IP Sec  
 Standard AES 256bit encryption  
 Standard data overwrite  
 TopAccess web interface for status monitoring and remote configuration is included  
 PCL 6, PostScript 3, and XPS print drivers included – no additional charge for PostScript!

**Reduce & Save**

Environmental choice certified, reducing energy cost  
 Omit blank pages (remove unwanted blank pages from documents)  
 Standard duplex allows two sided copying, reducing paper and saving paper cost  
 N-up copies allow up to 8 pages to be copied on a single sheet, reducing storage space and increasing savings  
 Authentication, access codes and Project Codes - monitors and restrict usage based on pre-defined limits, reducing misuse and increasing savings

**Better & Faster**

Advance job reservation – will queue up multiple copy or print jobs so users can send jobs whenever  
 Job build – conveniently combine different copy jobs in one seamless step, save time by removing unnecessary steps  
 Send and receive faxes at the same time through the two line fax option saving time  
 Templates to store and quickly recall commonly used jobs, saving time by one-touch activation of such jobs  
 First copy out time of 5.2 Sec. B/W, allows quicker copies and reduces wait time

**Efficiency & Productivity**

Tandem printing out of the box  
 Automatic magnification ratio – scales a page to best fit the sheet size of media in the input tray  
 Annotation / Page numbering – Allows date and/or page numbers to be added to the copy output  
 Cover Sheet insertion – Allows insertion of front and back pages of the document from a different paper source  
 Booklet function - Automatically print pages in the correct order so the document can be folded and stapled to form a booklet

**Memory (max)**

Main Memory: 4 GB HDD, 320 GB (Security SED Drive)

**Copy/Print Speed**

65 PPM B&W

**Bit Depth**

N/A

**Copy/Print Resolution**

600 X 600 dpi / 1,200 x 1,200 dip / 2,400 x 600 dpi, / 3,600 x 1,200 dpi (PS only)

**1st Copy Out Time (seconds)**

5.2 B&W

**Warm-up Time (seconds)**

24

**Duty Cycle**

590K

**Banner Printing (Up to 12 x 47.24 inches)**

Yes

**Posters (44 x 68 inches)**

Yes

**Aqua Ace Support (Waterproof Paper)**

Yes

**Dimensions (W x D x H)**

37.6" x 28.9" x 48.3"

**Reduction/Enlargments**

25% to 400%

**Scan Resolution**

100/150/200/300/400/600 dpi

**Scan Speed**

DSDf: 240 SPM Colour / B&W

**Scan Preview**

Yes

**Scan to USB Media**
